

METTER-CANDLER RECREATION DEPARTMENT  
WAIVER OF LIABILITY – AGE DIVISION CHANGE

The undersigned parent/guardian acknowledges that they have evaluated the status of their participant child and is desirous that their participant/child should participate in an age group other than that designated by the determined and advertised age cut-off date of September 1.

The undersigned parent/guardian acknowledges that participation in sports activities carries an inherent risk and that this risk may be elevated by their decision to change the age participation group of their participant child.

Therefore, the undersigned parent/guardian hereby determines that they are desirous of their participant child to enter an age group other than their designated group, that this change increases the risk of injury, harm, and liability on themselves and their child, and hereby acknowledges and waives any rights or action afforded to themselves or their participant/child due to injury, duress, harm or stress and hereby agrees to hold the Metter-Candler County Recreation Department, Candler County, the City of Metter, and any participating referees, coaches or participating parents harmless for any harm or injury occurring during participation at the Metter-Candler Recreation Department.
